Wholesale Trade List

of

George Achelis,

Morris Nurseries,

West Chester, Chester County, Pa.,

For the Fall of 1902.

Prices quoted herein are to NURSERYMEN and DEALERS only, and supersede all previous lists.

TERMS.—Cash, except when expressly agreed otherwise. Packing will be done in the best manner, in bales or boxes, at the cost of the purchaser; but no charge will be made for delivering the boxes at the railroad.

All articles, after leaving my hands in good condition, are entirely at the risk of the purchaser; and no complaint will be allowed, unless made within ten days after receipt of goods.

While I am extremely particular in having my trees and plants true to name and free from mixture, mistakes may occur, and it is therefore mutually agreed between the purchaser and myself that I will be held responsible only so far as to replace such trees as, on proper proof, may be found to be untrue to label, or refund the amount originally received for them.

COMMONWEALTH OF PENNSYLVANIA.
DEPARTMENT OF AGRICULTURE.

This is to certify that the stock in the nursery of George Achelis, of West Chester, Chester Co., Pa., was duly examined in compliance with the provisions of the Act of Legislature of Pennsylvania, approved the 10th day of June, A. D. 1901, and it was found to be apparently free from San José Scale and other dangerously injurious insect pest or pests.

This certificate expires July 31, 1903. Dated Harrisburg, Pa., August 19, 1902.

GEO. C. BUTZ,
Inspector.

JOHN HAMILTON,
Secretary of Agriculture.
